# Condizioni generali di vendita

## General conditions of Sale

### Prezzi

I prezzi si intendono per merce resa nostra fabbrica ed al netto di ogni spesa accessoria (trasporto, imballo, spese postali, incasso, ect.), riferiti a cadaun pezzo o coppia, in caso di maniglie e di pomoli, in EURO IVA esclusa. Ci riserviamo la facoltà di modificare prezzi e condizioni generali di vendita in qualsiasi momento ed a nostro insindacabile giudizio, senza alcun obbligo di preavviso. I prezzi indicati sono validi fino al 01.07.2020. Dopo tale data ogni cliente è tenuto ad informarsi, per ogni ordine, degli eventuali nuovi prezzi.

### Ordinazioni

Gli ordini diretti o indiretti si considerano assunti solo dopo nostra accettazione. I quantitativi ordinati devono essere conformi alle nostre confezioni standard. Le quantità non conformi alle confezioni o le produzioni disponibili a richiesta, se accettate, saranno soggette ad una maggiorazione non inferiore al 25% del prezzo di listino. Il minimo spedibile è di 250,00 netto.

### Consegna

I termini di consegna hanno unicamente valore indicativo e si riferiscono alla data di consegna della merce al vettore. Non sono ammessi annullamenti o modifiche durante l'esecuzione dell'ordine che ha inizio al momento del suo ricevimento. La mancata o ritardata esecuzione di una parte o di tutto l'ordine, per cause di forza maggiore, non potrà dare diritto al Committente di annullare l'ordine stesso o di richiedere il risarcimento di eventuali danni.

### Pagamenti

I pagamenti sono validi unicamente se eseguiti alla nostra Sede amministrativa in Treviso Bresciano (BS). Trascorso il termine stabilito in fattura per il pagamento decorrono di pieno diritto gli interessi di mora al tasso bancario. La presentazione di qualsiasi reclamo non dispensa il compratore dal pagamento della fattura alla scadenza stabilita. Il mancato pagamento di un ordine determina la sospensione senza preavviso di tutti gli ordini in corso ed il loro eventuale annullamento, fatto salvo il risarcimento dei nostri danni. Ci riserviamo il diritto di proprietà delle merci fornite fino all'avvenuto pagamento di tutti i crediti, inclusi interessi e costi.

### Imballi

Gli imballi vengono fatturati al prezzo di costo; l'importo è assoggettato ad IVA

### Spedizioni

La merce viene resa franco nostro stabilimento e viaggia a rischio e pericolo del Committente. La nostra responsabilità termina all'atto della consegna della merce al vettore. Il destinatario, a sua cura e spese, deve verificare i colli prima del ritiro ed in caso di avarie, rotture, ammacchi o furti, deve rivolgere i reclami al vettore, anche nel caso di merce recapitata in porto franco.

### Varie

Non si accettano resi di merce se non espressamente autorizzati, restituiti in imballo originale o idoneo a conservarlo perfettamente integro e franchi di ogni spesa al magazzino della nostra Sede. Trascorsi 8 giorni dall'arrivo della merce a destino, le nostre fatture si intendono approvate ed accettate e nessun reclamo potrà più essere ammesso. Gli eventuali difetti sui prodotti o nostri errori di spedizione potranno impegnarci solo alla sostituzione od integrazione del materiale senza rifusione di eventuali danni. Ci riserviamo di apportare qualsiasi modifica ai prodotti, di sospenderli e/o eliminarli dalla produzione, senza obbligo di preavviso e ciò non ci impegnerà alla sostituzione dei materiali giacenti presso i clienti. Dati, misure e schemi hanno solamente carattere informativo e non vincolanti. Eventuali errori e/o refusi di stampa non costituiscono motivo di contestazione.

### Foro competente

Per qualsiasi controversia è competente il Foro di Brescia. Tutte le suddette condizioni si intendono tacitamente accettate col conferimento dell'ordine e qualunque condizione in deroga o comunque non contemplata nelle presenti " condizioni generali di vendita", sarà valida solo se risultante da accordo scritto.
