Multiframe

The Multiframe door system is flexible and transforms to create three types of doors: Pivot, Security and Interior. Combined with the four different facing materials, Aluminium, Wood, Glass and Composite Panel, gives the manufacturer unlimited options.

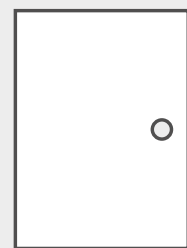

Pivot

A PIVOT door with unlimited possibilities: choice of facing between 4 different materials, dozens of color combinations and construction dimensions up to 1700 x 2800 mm.

Μια PIVOT πόρτα με απεριόριστες δυνατότητες: επιλογή επένδυσης ανάμεσα σε 4 διαφορετικά υλικά, δεκάδες χρωματικοί συνδυασμοί και διαστάσεις κατασκευής έως 1700 x 2800 mm.

Una porta PIVOT dalle possibilità illimitate: scelta del rivestimento tra 4 diversi materiali, decine di combinazioni di colori e dimensioni costruttive fino a 1700 x 2800 mm.

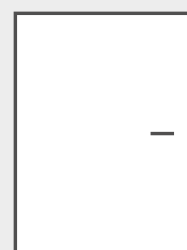

Security

A security door as you want it to be. Unique design, unlimited choices of materials and colors, enhanced safety and high quality construction.

Η πόρτα ασφαλείας όπως θα θέλατε να είναι. Με μοναδικό design, απεριόριστες επιλογές υλικών και χρωμάτων, ενισχυμένη ασφάλεια και υψηλή ποιότητα κατασκευής.

Una porta blindata come vorresti che fosse. Design unico, scelte illimitate di materiali e colori, maggiore sicurezza e costruzione di alta qualità.

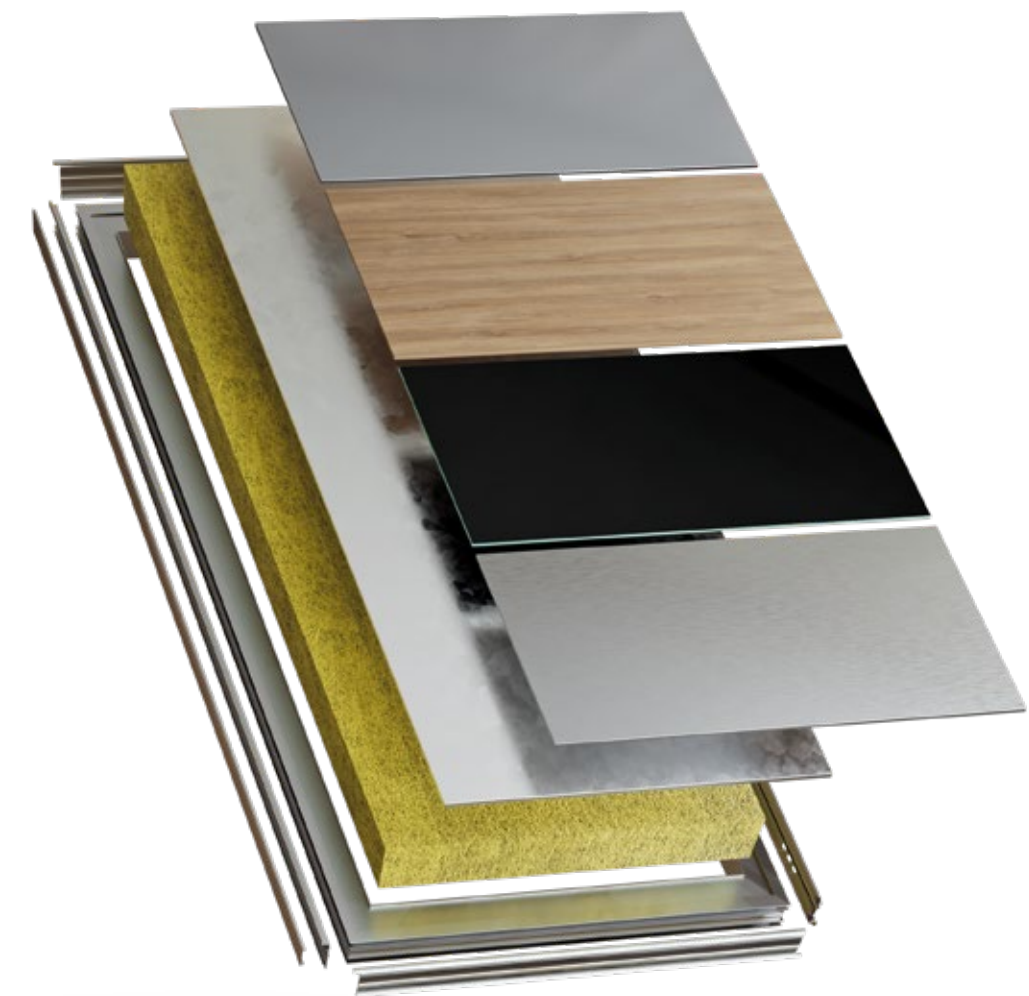

Interior

The interior door that changes the house. An innovative proposal for interior Aluminium doors that highlight the architecture of the house.

Η εσωτερική πόρτα που αλλάζει το σπίτι. Μια καινοτόμα πρόταση για εσωτερικές πόρτες αλουμινίου που αναδουκνείουν την αρχιτεκτονική του σπιτιού.

La porta interna che cambia la casa. Una proposta innovativa per porte interne in alluminio che mettono in risalto l'architettura della casa.

Το σύστημα πορτών Multiframe είναι ευέλικτο και μετασχηματίζεται δημιουργώντας τρεις τύπους πορτών: Pivot, Ασφαλείας και Εσωτερικές. Σε συνδυασμό με τα τέσσερα διαφορετικά υλικά επένδυσης, Αλουμίνιο, Ξύλο, Γυαλί και Σύνθετο Πάνελ, παρέχει στον κατασκευαστή απεριόριστες επιλογές.

Il sistema di porte Multiframe è flessibile e si trasforma per creare tre tipi di porte: Pivot, Security e Interior. In combinazione con i quattro diversi materiali di rivestimento, alluminio, legno, vetro e pannello composito, offre al produttore opzioni.
